

Table Setting Competition Guide

Developed by: Kari Sponaugle, Kelly Mallory, Kaci Daniel, Kim Mayo, Extension Agents, 4-H.

Description of Contest

Through participation in this contest, youth will learn valuable life skills in the areas of meal preparation – either formal or informal – meal etiquette, menu preparation, use of Virginia Agricultural products within a menu and how to coordinate attire with menu and meal themes. Youth can use their imagination and creativity to create a welcoming and fun meal environment.

Levels of Competition

Unit (county), District

Age categories are as follows, using September 30th of the 4-H year as the determining date. The exception is for national contests, in which January 1 or another date may be used. It is the contestant's responsibility to check national rules for age deadlines.

Juniors (ages 9-11)

Intermediates (ages 12-13)

Seniors (ages 14-18)

Awards to be Earned

The Danish awards system will be used at all levels of competition. Blue ribbons will be awarded to competitors earning 90-100 points; red ribbons will be awarded to competitors earning 75-89 points; white ribbons will be awarded to competitors earning 74 points or less.

Certain Extension districts award a purple ribbon to the highest scoring youth in the category. At the state contest, the highest scoring youth will be awarded a project medal. Youth who win the state project medal are ineligible to compete in that category in future years.
